Junction, IL 62954

Emergency Alert Contact Information

Parents/Guardians:

Keeping our parents and students informed about school closings and possibly an emergency condition is a top priority for the Gallatin County School. That is why the school has started a service that will allow us to send telephone messages, emails, and/or text messages to alert you of emergencies or changes in the normal school day.

The successful delivery of this information is dependent upon accurate contact information for each household. Please take a moment to complete the bottom portion of this form and return it to the Gallatin County School by Friday, August 16, 2019. **If any of this information should change during the year, please contact the school immediately.**

The Gallatin County School is looking forward to having the ability to deliver timed information to you about events that will be taking place at the school.

Judy Kaegi
Superintendent
