

August 27, 2018

Mr. Scott Bunting, Principal
Gallatin County High School
5175 Hwy 13
Junction, IL 62954

Dear Mr. Bunting,

Hello! I would like to take this opportunity to congratulate Gallatin County High School on having one of the state officers for the Illinois Association of FCCLA. Kallie Keasler has already been serving as the State President and doing a wonderful job of representing both FCCLA and your school district.

As you know, part of the state officer's major responsibilities was to attend the June Leadership Training for Illinois FCCLA, National FCCLA Leadership Conference and the Illinois FCCLA Summer Leadership Academy. During the June Leadership Training, the officers worked on public speaking skills, parliamentary procedure and team building. The FCCLA National Leadership Conference was held in Atlanta, GA in July. At this conference, the officers took part in general sessions, youth workshops, and the election of the National Executive Council. To conclude their summer responsibilities, the State Officers and their Advisers attended the Summer Leadership Academy in Springfield. There they participated as part of a team to complete various leadership tasks, listened to keynote speakers and helped with a community service project for the Ronald McDonald Houses of Illinois. I have included a couple of pictures of Kallie and Ms. Rushing that were taken at the June Training.

Both Kallie and Ms. Rushing are wonderful to work with! I know that without your support it would be difficult for them to have the success that they are experiencing. I hope to thank you in person at the annual FCCLA Leadership Banquet on April 5, 2019 in Springfield. That evening we will recognize Kallie, Ms. Rushing, Ms. Kaegi and you for excellence in leadership. In the meantime, thank you for your support of our organization, Kallie and Ms. Rushing. Should you at any point need assistance or information from me, I may be reached via email at ilfccla@gmail.com or at 217-728-2787.

Sincerely,

Marta Lockwood, Executive Director
Illinois Association of FCCLA
